EDUCATION

Raghu Institute of Technology

B.Tech in CSE (Cybersecurity); CGPA: 7.5

Visakhapatnam, India

Aug 2022 – Expected May 2026

Narayana Junior College

Intermediate (MPC); Percentage: 82%

Visakhapatnam, India

Jun 2020 – Apr 2022

Raghu High School

Secondary Education (10th Grade); Percentage: 85%

Visakhapatnam, India

Jun 2019 – Apr 2020

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, Java, Python (Basic), DSA

Frameworks/Libraries: Node.js, React.js (Basic)

Databases: MySQL

Tools: GitHub, Postman, VS Code, IntelliJ, PyCharm, MS Word, MS PowerPoint

Soft Skills: Adaptability, Teamwork, Time Management

EXPERIENCE

Back End Developer Intern

Mar 2025

Devupvers (Remote – Chennai, Tamil Nadu)

- Built and managed backend features using Node.js, Express.js, and MongoDB.
- Created secure REST APIs for user authentication, product management, and order handling.
- Worked with Postman to test APIs and shared results with the team.
- Used TypeScript to improve code safety and maintainability.
- Fixed bugs in product validation and improved response time in API testing.

PROJECTS

Portfolio Website — React.js (Live Demo) (GitHub)

- Created a responsive personal website to showcase skills and projects.
- Used reusable components and ensured mobile responsiveness.
- Deployed the website using GitHub Pages and Netlify.
- Used React Router for smooth navigation between sections.

SnapGrocery API — Node.js, TypeScript, MongoDB

- Developed a backend system for a real-time grocery delivery app similar to Zepto.
- Built RESTful APIs for user authentication, product listing, cart management, and order placement.
- Implemented category filtering, location-based shop search, and role-based access control.
- Handled product image uploads with validation and secure error handling.
- Collaborated with the team during internship to prepare the system for deployment.
- *Note: Repository is private due to company ownership.*

CERTIFICATIONS

- Web Development Internship – CodSoft (Oct–Nov 2024, 4 weeks)
- Java Programming – NPTEL (Jan–Apr 2024, 12 weeks)
- Cyber Security Internship – Edunet Foundation with AICTE (Jan–Feb 2025, 6 weeks)
